

Getting From *Tee-to-Green* Has Never Been Easier

The *Swan 4* packs an additional two - be it for 2 kids, or even yet 2 immature adults. Just hop-in, flip the keys, and kiss the breeze as you glide through Golf Course or Estate - regardless this bird was meant to fly. Blending the most innovative technology in it's field, with true elegance and luxury, befitting any family or gentleman's fourball. AC Technology combined with high-torque performance allows for remarkable efficiency and reliability, as well as an unprecedented ease to every ride. We're flipping the script on what it means to drive a golf cart - with a unique set of features as standard. Sit back, relax, and enjoy the moment - because rest assured we've got your back.

Available in 48V AC Electric Only
www.drakegolfcarts.co.za

It's the dawn of a new generation, and we're here to stay. *Sleek* and *Elegant* luxury golf carts.

Designed not only to be *Sleek*, but also *Robust*. All Drake Golf Carts are backed by a limited 3-year warranty.

AC Technology allows for superior efficiency, performance, reliability and smoother acceleration. Regenerative braking means more distance per charge.
